## **The States** And Cuba

Platt Amendment Is the Final Policy of the Washington Administration.

The Cuban Commission Taken to Task Régarding Their Incomplete Report.

Havana, May 13 .- The Cuban Consti

tutional convention met to-day in secret mission and formally considered the remission and formally considered the re-tory of the American Cigar Company. port of the commission that went to washington to obtain more definite in-formation regarding the intentions of the University of the strike of 100 girls last week. the United States. General Sanguily objected to their re-

port on the ground of incompleteness, of the Albany N. Y., May 13. The employees pointing out that the commission made Traction Company have manimously to recommendation. "They were sent agreed to refuse to accept the ferms of-fered by the company for them to re-fered by the company for them to re-fered by the company for them to re-sume work. The company furgeties is looked for if the cars begin running express an opinion regarding the accept to morrow. change could not be effected, nor do they express an opinion regarding the accept ment as we had expected they would." Senor Taimayo Lorente and Betar-court replied that Secretary Root had ex-plained that the basis could not be ghanged as the Platt amendment was the final policy of the Washington ad-ministration. It was useless, therefore, they went on to say, for them to junist apon a change, but the constitution Mr. Hoost put on the basis, together with his assurance that the United States would statisfaction of the miners that he vie-lated the rules by Leaving work before guitting time, Strike at an Fod establish an independent government in Cuba and would pot interfere with Cu-ban sovereignty influenced them in favor of accepting the amendment, although, they did not recommend this course in

Senor Portaondo declared that he did toft agree with his colleagues who had already spoken, and was opposed to had tot agree with his colleagues who had niready spoken, and was opposed to the acceptance of the Platt amendment.

turned this morning from the Nords, whether she had gone to investigate the reported wreck on the west coast of Graham Island, Queen Charlotte group. News of this vessel it will be remember-ed was brought to Skidegate by a num-ber of Indians, who related the story of the finding of the wreck to the officers of the steamer Tees. They spoke of a stench arising from the hold of the ves-sel, indicating that dead bodies were to be found below. They did not in-vestigate further because of superstitious fear, but told of a blanket being found ashore. This was taken to mean that some members of the event that each of the res-shelt. These stories were reported to Oaptain Gaudin, local agent of marine, and fisheries, on the arrival of the Tees, and that official at once took stops to send the Quadra to the scene of the wrock in order to offer any assistance meessary in case of any survivors being in ... the  $\sim$  immediate meighborhood.

VICTORIA DAILY TIMES, TUESDAY, MAY 14, 1901. SPORTS COMMITTEE MEET.

> President McKinley Will Not Arrive in Seattle Until Twenty-Fifth.

eeting of the sports coa

A meeting of the sports committee was held last evening at the city hall for the purpose of further considering the pro-gramme of sports for the coming Victoria Day celebration. The Deasy occupied the chair, and H, Cuthbert, the secretary, made an int-portant amouncement, which will no doubt have a great deal to do with the success of the coming celebration. He stated that, he had received a communi-cution from the man who had been sent to Scattle as usual to advertise the cele-bration asying that owing to the illness of Mrs. McKinley, in Southern Cali-fornia, the President would not arrive in Scattle annul several days after the skettle about the twenty-fifth, and will give all Scattle people who wish to take in the 24th of May demonstration ample opportunity of doing so without interfer-time with their being at Scattle athe the 24th of May demonstration ample opportunity of doing so without interfer-time of the city schools for the purpose of finding out what part the school chi-dum should take in the celebration. Vol-unteers from the teachers' staff are being called to assist in the May pole festiv-ites.

## MEN AT THE OFFICE, WOMEN IN THE HOME, CHILDREN AT SCHOOL. Who are overworked mentally or physically derive great benefit

from Milburn's Pills. Trom mildurn's Pills. They supply the necessary elements for making good the wear and fear incurred by the present mode of life now prevalent in this age of business and social life. Every day in the week and every week in the year men, women and children are suffering from inervousness brought on by their efforts to keep up to the modern "high pressure" mode of life necessary to this age. Thousands find life a burden and others an early grave. Overwork is often the cause, as it strains the Nervous System and causes Ner-vousness, Sleeplessness, Nervous Prostration, Faint and Dizzy Spells, and General Debility.

vousness, Sieeplesaness, Nervous Prostration, Faint and Shirp optimity. The blood becomes weak and watery and eventually causes decline. Milburn's Heart and Nerve Pills are indicated for all diseases arising from a weak and debilitated condition of the nerve centres. From the Atlantic to the Pacific we are receiving letters from people who have used Milburn's Pills with great benefit. Here are two. Others will be sent on application. Nervoyater, N.B., Jan. and, 1901.

NORTOSDALE, N.B., Jan. and, 1901. Dear Sirs, --I have suffered for a number of years with a smothering sensation caused by a weak heart. My whole system was run down and I was very nervous and could not sleep. I got a box of Mibura's Heart and Nerve Pills and by the time I had taken them I was perfectly cured and can recommend them highly. My mother was also subject to heart trouble and was so bad that the doctors said she could not live.

My mother was they were the means of curing ber. She took your pills and says they were the means of curing ber. Yours trety, MKS. WM. CUME.

INWOOD, Ont., April and, 1900.

The T. Milburn Co., Limited, Toronto, Ont. Dear Sirs.—Some time ago I was so run down that I could not do any work. I had distressing shortness of breath, my stomach would be sour and I could scarcely est anything.

I had distressing shortness of orenta, my intervention of the start paping scarcely eat anything. My heart paping that and hadly and caused faint and dizzy spells. I felt weak and pervous, and gave up all hope of ever being cured until my husband procured two boxes of Milburn's Heart and Nerve Pills, and since taking them I feel like a different person. Thave been well and able to work ever since. Yours truly, Mas. EDMOND BROWN.
